

C Spar mast for  
Radial Sail

Weight:  
Top Section: 1.4Kgs  
Bottom Section: 2.35Kgs

The radial rig size has proved popular as it caters for wide band of sailor from the inexperienced to the 'Master sailor'

The C-Spar mast makes the laser even more fun to sail - easier to rig, and handle on the water.

Price: excluding sales tax  
Top Section: NZ\$325.00  
Bottom Section: NZ\$450.00
